

# Unit 2 Communicative activity B

## So, I went to this ...

Imagine you've recently attended two of these performances. Use the questions and the words in the circle to give your partner a short description of the event.

- What was the music like?
- What were the performers like?
- How was the first piece?
- What was the atmosphere like?
- How did the audience react?
- What was your favourite part?
- What was the whole experience like?
- Would you recommend the performance?
